THE KARN PIANO

ENTIRELY NEW DESIGN

The
Pianauto..

The Pianauto is the greatest of all "piano-players." It will play on any piano any piece of music ever written. It can be played by anyone without musical knowledge, and its operation is so simple and light that a child can play it with ease. In the total absence of fatigue involved, it differs immensely from all other piano-players, and it is also vastly superior in capacity for "expression."
